

# Alexa Lengyel

Freelance translator (Croatian, Serbian > Hungarian)

## Summary

- Hard-working and passionate Hungarian freelance translator with three years of experience in translation of marketing and tourist texts. I willingly translate catalogues, brochures, menus and various descriptions for travel agencies. I usually have clients from Hungary and Croatia, I work for translation agencies and individual clients too. I would like to improve my language skills and help customers to solve communication problems and have business success in other countries too.

## Experience
