Paris, on December 7, 2020.

Dear Madam, dear Sir,

We had the pleasure of hiring M. Gergö as a translator from English to Hungarian for the following issues, from the collection « Our Mathematical world » :

- #6 *Numbers of Pi* (Hungarian ISBN: 9788366101050)
- #10 *The Fourth Dimension* (Hungarian ISBN: 9788366101098)
- #13 *The Truth is at the Limit* (Hungarian ISBN: 9788366101128)
- #19 *Creativity in Mathematics* (Hungarian ISBN: 9788366101180)
- #26 *The Poetry of numbers* (Hungarian ISBN: 9788366101258)
- #33 *The Art of counting* (Hungarian ISBN: 97883661010326)
- #39 *Planet Mathematics* (Hungarian ISBN: 9788366101388)

Very quickly, we were able to rely on M. Gergö's translation skills and his truthworthiness. Working with him was a real pleasure and we hope to repeat the experience very soon. We highly recommend his services.

Best regards,

Alexandra Calmès
